

My Health Record Guideline for Residential Aged Care Change Log

[Version 1 to Version 2]

Release date: 28 November 2023

The change to the document "My Health Record Guidelines for Residential Aged Care" V1 to V2 encompasses various updates and clarifications throughout the document. Notable changes include revised definitions, alignment with legislation regarding My Health Record access, adjustments to policy recommendations, improved language for transparency, and links to authoritative external resources. These modifications aim to enhance the document's accuracy, compliance, and user-friendliness while ensuring it reflects the latest guidelines and regulatory requirements. Please find below a change log.
